

Family and Community Services (FACS) receive requests for sponsorship each year. All sponsorships are considered on a case by case basis. FACS sees value in sponsorship arrangements that help to create partnerships between FACS and the community.

Sponsorship criteria

FACS will only sponsor organisations that withhold our integrity and align with our commitment to enable vulnerable people to participate fully in NSW social and economic life and build stronger, more sustainable and inclusive communities.

All applications for sponsorship must be accompanied by a sponsorship proposal.

Please allow a minimum of four weeks for your application to be fully evaluated.

What FACS will not sponsor:

- any event or project that has a lead time of less than three months
- any event or project that results in an employee of a public sector agency receiving a personal benefit from the sponsorship
- any event, project or product that is likely to be controversial and could expose FACS to potential risk. This includes:
 - tobacco and alcohol products and their advertising
 - gaming
 - fast food products
- any event or project that is discriminatory on the grounds of gender, age, sexuality, disability or race.
