YOUNG PEOPLE IN CARE HAVE THEIR SAY!

CREATE’s National Survey 2017 is asking children and young people in care aged 8 - 25 years old about their experiences. Together we can make a change.

CREATE will be conducting an anonymous survey to find out about children and young people’s experiences in out-of-home care. CREATE uses this information to advocate for change to improve services for all children and young people in care.

Help us to support children and young people in care, and let their voices be heard. Please encourage them to complete this survey online or over the phone, and help CREATE to make a difference. Plus there are awesome PRIZES including a number of $100 gift vouchers for each State and Territory and all participants can go into the draw for an iPad mini.

CREATE will be running the survey from July until the 31st October 2017.

For more information please contact CREATE on 1800 655 105 or visit our website www.create.org.au
