

5.1 The NSW Children's Court makes a Final Order of Parental Responsibility to the Minister until the child attains the age of 18 years (long term Out of Home Care). The order is updated and attached in ChildStory

5.4 The FSP case manages the child's case including annual Case Plans and Carer Reviews. DCJ approves the PSP package in ChildStory. FSP upload copy of the Case Plan in ChildStory

5.5A PC consultation recorded in ChildStory. CFDU updates the placement record in ChildStory

5.8 If a new placement cannot be found within the agency, then DCJ CFDU places a broadcast out to other agencies using ChildStory for a new carer for the child

5.9a The child is formally placed with the new carer and the existing FSP with case responsibility notifies DCJ of the child's new carer and details and CFDU updates ChildStory in the child's placement record and Placement Needs Assessment (PNA) record

5.9b As per 5.9a, except for new FSP with case responsibility

5.11 If the managing FSP cannot locate a carer within their agency, then a broadcast is made using ChildStory for a carer in a different agency. If another agency has a carer that can care for the child then the child is moved to the new carer (with a Transition Plan), as in 5.9

5.12 If there are no foster care or Relative/Kinship Care placements for the child, then the child is placed in a Alternative Care Arrangement (ACA) or a hotel or motel with rostered staff with approval from CFDU MCS. All children will need to exit ACA via placement broadcast

5.10 If an alternative FSP has a carer who can care for the child, then they respond to DCJ broadcast request. CFDU updates the placement record in ChildStory

5.14 FSP reviews the child's Case Plan within 30 days of change of placement due to the child's change in carer. FSP uploads Case Plan in ChildStory

5.16 FSP starts leaving care planning with the child and significant people to the child. FSP upload Leaving Care Plan in ChildStory. This is based on Life Story Work, Family Time, Family Finding that has been ongoing throughout period in OOHHC Also consider 15+ Reconnect Package subject to eligibility criteria

5.18 Case Plan Goal (CPG) Progress Review to be initiated by DCJ PC at contractual intervals (12 monthly for LTC) as consultation record.

5.19 This includes access to care leaver files for 7 years and referral to (non-PSP) funded after care services
