QAF Child and Young Person Questionnaire – Multicultural Questions

The next few questions are about your culture. In this country, people come from many different countries and cultures; there are many different words to describe the different background, cultural or ethnic groups that people come from. These questions are about your ethnicity or your ethnic group and how you feel about it or react to it.

The questions in this section are used across the world and may include language that seems different or that you don't understand. For example, Ethnic group/membership/background means: A group of people whose family come from the same country and share the same culture or faith or language. If you click this symbol  when you see it – it will explain the word to you.

If there are any other terms that you aren't sure of, please ask your caseworker and they can help explain them. Let's get started....
