QAF - Child or young person's voice

- know where I'm from, practice my culture and be part of the community that belongs to me
- feel and be safe at home and confident that I am supported
- feel connected to people I care about and who care about me
- have people in my life that love me unconditionally
- have support and know who to talk to when I feel sad or worried
- get the support I need to do my best at school to set me up for the future
- get the support I need to be as healthy as I can be, so I can thrive
- feel connected to people I care about and who care about me

The QAF will help me...
