I refer to your access application lodged with the Department of Communities and Justice (the Department) pursuant to section 41 of the *Government Information (Public Access) Act 2009* (GIPA Act), which was considered valid as at 7 October 2020.

Your application

On 12 October 2020, you confirmed that you are requesting access to a copy of the following information:

Section 53 of the GIPA Act requires that reasonable searches be conducted to identify the government information held by the Department that falls within the scope of an access application.

I confirm that I liaised with the Family and Community Services Insights, Analysis and Research Unit (FACSIAR) to identify the information requested in your access application. FACSIAR were able to source and extract the relevant data from the Department's Enterprise Data Warehouse and the Department's tenancy management database (HOMES) to provide information responsive to your access application.

Access decision

I am authorised pursuant to section 9(3) of the GIPA Act to make a decision in response to a formal access application. I have carefully considered your request in view of the objects of the GIPA Act where you have a legally enforceable right to obtain information, unless there is an overriding public interest against disclosure of the subject information.

I have decided pursuant to section 58(1)(a) of the GIPA Act to provide access to the information that falls within the scope of the request. The information is attached at the end of this notice at 'Attachment A'.
